A message from your Coordinator

Greetings Friends and Families,

We hope all the mothers had an amazing Mother's Day and were all very loved.

This week we are exploring Fidgets. Not only are they fun to share, but they are a great sensory tool and a way to keep the hands busy. Many people (in fact most of us), need to fidget in order to concentrate. So far, we have made 3 different sorts using pegs, straws and pop sticks.

Next week is Constructions week! We will be looking at all sorts of ways to use our imaginations to see what we can create using different materials.

Looking forward to seeing you

Sarah and Annette
