A message from your Coordinator

Hello families and friends,

Last week was Book Week, we loved seeing all the children dressed up in their amazing costumes and sharing who their favourite characters are and their favourite books. We celebrated book week at OSHC with book mark and book making, followed by a reading owl scavenger hunt.

It's the first day of spring and we are excited by the days getting warmer and being able to be outside more. This week we have been drawing nature pictures, making pet rocks, and making nature inspired pillows for our space.

Father's Day is this Sunday, we would like to wish all the fathers and special people in our lives a very happy Day.

The end of term is nearly here, and we have many more fun things to do like sand pit sculpture, art, ball games and much more. We look forward to seeing you.

Sarah and Annette

Activities coming up
