A message from your Coordinator

Welcome back to term two! Our Outside School Hours Care, Your OSHC provides tailored experiences that aim to inspire your child and help them grow.

We have been busy designing the perfect program and environment to kick off this term. We can't wait for your children to experience it.

Our term 2 program will focus on forging new friendships, strengthening existing ones, being secure, and feeling included and confident. We have set up an engaging and inspiring Your OSHC space so every session your child will be able to choose from different experiences.

This week we are investigating how the children describe themselves, their likes and interests. This important information will be used as the basis of our ongoing programming cycle.

We would like to wish all the mums and special people a very happy Mother's Day and hope your day surrounds you in love, laughter and special memories.

We look forward to a fun and exciting term,

Sarah and Annette
