A message from your Coordinator

This week has been crazy with the weather being warm and sunny which allowed us to be outside playing on the equipment, drawing on the pavement with chalk and sharing snack on the grass. To wind and lots of rain, but we still had lots of fun making characters out of pool noodles, playing with the different construction sets and creating with heat beads.

Next week we are exploring sustainability with National Op. Shop Week. We will be talking about upcycling, reusing and repurposing different objects and how reusing can help the environment.

Next term we will need to be wearing hats to play outside, please remember to remind your children to bring them to OSHC.

We look forward to seeing you

Annette and Sarah
